Aviation

A red and white aircraft is parked inside a hangar. The aircraft is the central focus, with its wings and tail visible. The hangar has a dark interior with some light coming from windows in the background. The overall tone is dark and professional.

Training

We are erecting advanced infrastructure and introducing a fleet of aircrafts to Bhavnagar (Gujarat) airport. Furthermore, through our joint venture with Ganpat Care Foundation, Dunes Academy will provide professional flight training in under the dual approval of Aviation Authority of India. With a Private Pilot's License, one is certified to fly an aircraft for recreational purposes.

Charter Services (NSOP)

United Group's Aviation division is dedicated to providing efficient air travel opportunities for business and leisure pursuits. We are currently in the process of obtaining a Non Scheduled Operator Permit (NSOP) License, allowing United Group to offer charter flights, tourism, joy rides, air medical transportation, emergency medical services (EMS), aerial photography services, and other film shooting options.

Maintenance (MRO)

Once our hangars are ready at Bhavnagar airport, we propose to offer Aircraft Maintenance, inspection, scheduled services, parts, repairs, equipment installations and other specialized services We shall provide "Best in Class" service for Aircraft Maintenance, inspections, scheduled service, parts, repairs, equipment installations, and other specialized services.
